You. How long has it been since you became an angel of death?

You haven't ate a human yet right?

You probably just ate animals till now

but that just makes it harder for you later

Listen to me...
we have to eat humans to survive
You know this.
I wonder how long you can live by just eating animals

Maybe one day? Two days? One year?

How... how do you know this

Maybe I'll change it if I keep eating it...

Dai said the same thing...

But...
Well, you know your own condition the best

...So let's just stop, we're diverting away from the point

Were you friends with Dai? Since you seem to know her

... help you?

There was another angel of death with Dai that day,
one with messy-white hair

You know him right?
